**Stakeholders Group Purpose**

This group is being created to offer advice to the City on the following set of issues (specified in resolution 30642):

- Planning for large lot developments including but not limited to the Northgate Mall, the South Lot, and King County's transit-oriented development project
- An Urban Center Plan for open space and pedestrian connections including bicycle and pedestrian circulation and streetscape improvements
- Coordinated Transportation Investment Plan
- Implementation of the 5<sup>th</sup> Ave NE Streetscape Design

**Convening the Stakeholders Group**

Resolution 30642 specified different approaches for filling the seats on the stakeholders group.

- **Seats 1-12:** The resolution asks the organizations and interests named to fill seats 1-12 to select their representative and alternate. The City is sending letters to the named groups asking them to notify the City of their selections.

- **Seats 13-22:** To solicit nominations for the remaining seats on the stakeholders group, the City is sending letters and using various outreach methods to invite individuals and groups who have expressed interest in Northgate issues. The City also will invite businesses inside and outside the Mall to a meeting to explain the stakeholders group process and encourage nominations for the two business seats.
- To assist the City in organizing the stakeholders group, as specified in resolution 30642, an independent professional facilitation team, Triangle Associates, Inc. has been hired. Triangle Associates will solicit members for the stakeholders group per resolution 30642.

### **Geographic Area**

For the purposes of the stakeholders group, the Northgate planning area is defined as the area in the Northgate Area Comprehensive Plan. It is bounded on the north by N. 130<sup>th</sup> St., on the west by Ashworth, and on the south by NE 85<sup>th</sup> St. The eastern boundary begins at 27<sup>th</sup> Ave. NE and N. 130th and curves gradually westward, ending at 18<sup>th</sup> Ave NE and NE 85<sup>th</sup> St.

### **Timeframe**

The stakeholders group is expected to hold its first meeting in mid March; future meeting dates will be identified at that time. The group is expected to provide advice to the City on the specified issues over the remainder of 2004.

### **To Make a Nomination**

If you would like to nominate an individual for any seat from 13 to 22, please contact Mark Troxel by telephone (206-615-1739), by email ([mark.troxel@seattle.gov](mailto:mark.troxel@seattle.gov)), or by mail (Department of Planning and Development, P.O.
